## FAQ

### Do I need to Register in the system to use the entry portal?

Yes, we suggest you spend a bit of time prior to the entry portal opening to correctly set up your rider and horse profile. It is very quick to register both your horses and your riders and only needs to be done once.

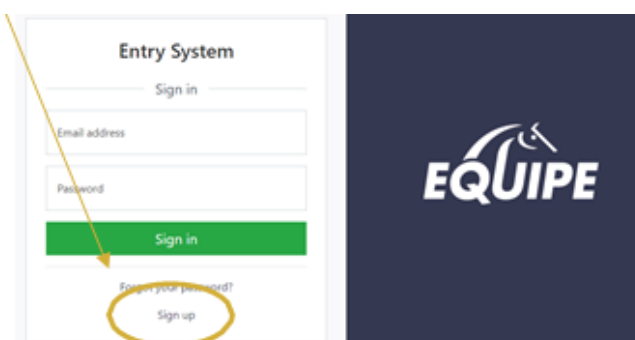

### How do I register?

**STEP 1** Login to **entry.equipe.com** Go to the signup button on top right hand side

### STEP 2

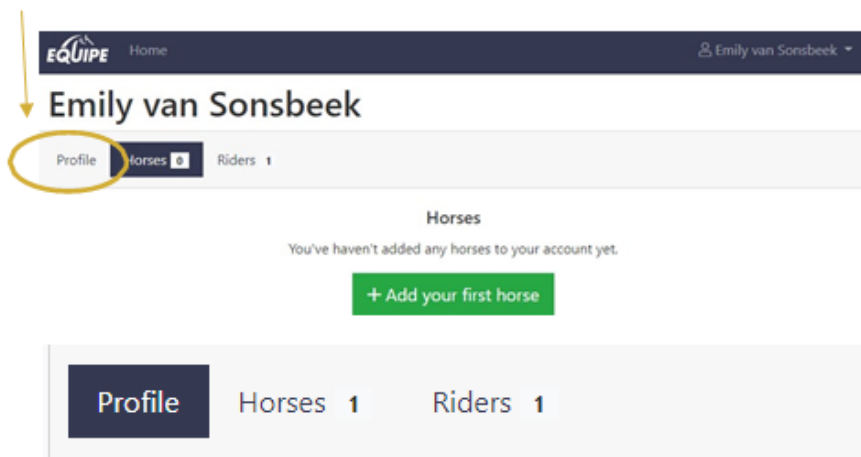

Choose the **Sign Up** option on the bottom of the screen

**STEP 3** Fill out your details and Click **Sign Up**

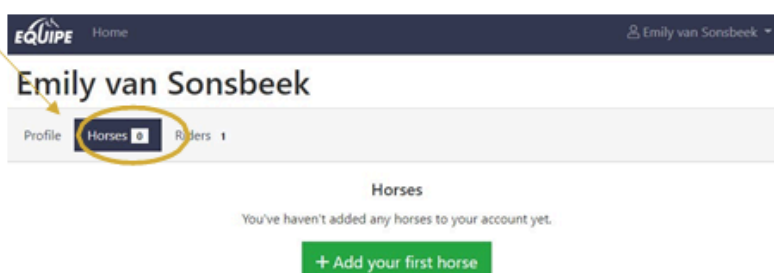

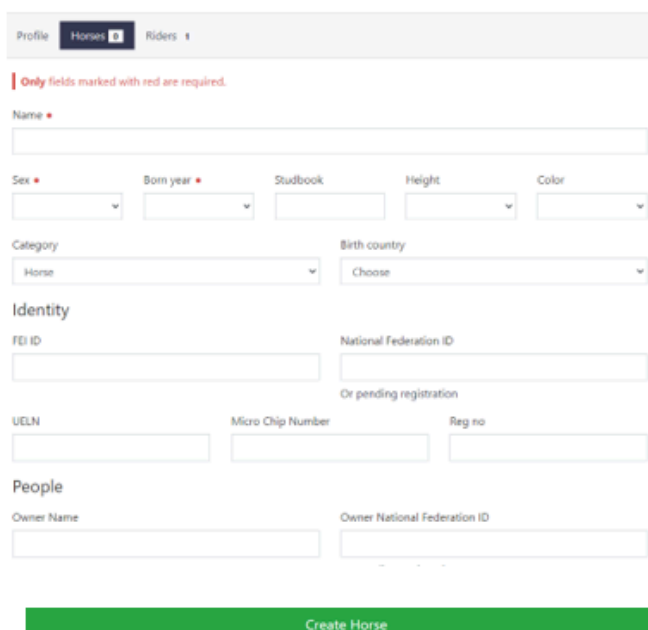

The screen opens with **Add your first horse**

**STEP 4** Click the box on the top left hand side that says **profile** and fill all those details in first. This is where Contact details and Banking Details are stored, so is important for organisers to release funds to you if paying you by EFT.

**STEP 5** Click on the tab that says **Horse** to add your first horse.

Ensure your horse(s)' correct EA number is filled out under "National Federation ID"

**STEP 6** – Add more riders or more horses or edit riders or horses. Choose one of the options on the tables to add or edit more riders or horses.

Ensure your rider(s) correct EA number is filled out under “**National Federation ID**”
